The following are a selection of General Comments on the event.

- Very informative. Venue very warm, hard to concentrate at times. Overall a very valuable day
- Enjoyed the day
- Thought provoking, very interesting
- Excellent workshop. Very beneficial for front line carers
- Brilliant and well organised
- Excellent day
- Excellent study day, well organised, but a bit tiring by the end of the day
- Very good, practical day. Very relevant to my practice. Some workshops felt rushed
- Thank you to the organisers, well done
- Make the workshops/seminars more aware to students
- Fantastic session
- Found the whole day worthwhile. Will improve my professional care. Food for thought
- Approachable speakers
- Very lengthy – by the end of the day I am tired and attention wares. Altogether extremely helpful and I look forward to future events
- I enjoy the workshop style of training. Good venue, good food, good course
- Prefer to sit at tables as last time, makes note taking easier
- First time in this type of training and learnt a lot, look forward to next event
- Good conference but too short for the aims of the information to get across
- Fab day
- More information should be in the folder. Floor levels and room numbers to avoid confusion
